Dirk: Here's what we're saying about the FOIA questions today....I am currently out of the office..I will be in touch early next week.. MM

The two large Freedom of Information Act requests clearly add a significant workload for the staff who are preparing the Portland Harbor Proposed Plan, but we remain committed to our stated schedule and to releasing that plan in the next couple of weeks. We are also fully committed to transparency in our work and to fulfilling our obligations under FOIA.
